**BEE 1200/1050**

**EHS Lab Safety Training**

**Technical Communications**

**PE**

**Min. Credits for Graduation: 125**

**Notes**

Only 1 D allowed in major (categories 1-4) with the exception of Math. Math needs to be C- or higher.
If you received more than 1 D, you will have to retake one of the courses.
*If ENGRD 3200 or ENGRD 2210 is used as the second distribution course then a MAE or 3000 level or higher engineering course should take the place of ENGRD 3200 or ENGRD 2210 in the list of required core courses.
